

CURRICULUM VITAE
GREGORY G. GION, MMS, CCA, BOCP

Dual Board Certified in Clinical Anaplastology and Extremity Prosthetics

Practice History:	Founder/anaplastologist: Medical Art Prosthetics, L.L.C. Dallas, Texas 1985-2012	Current Practice (since 2005): Medical Art Prosthetics, L.L.C. 7818 Big Sky Drive, Suite 111 Madison, WI 53719 Telephone: (608)833-7002
--------------------------	---	---

Personal Information:

Home Address: 313 N. Midvale Blvd. Unit A
Madison, WI 53705
Phone: (608)658-2568
Date of Birth: October 14, 1956; Madison, WI
Citizenship: U.S. Citizen
Sex: Male
Marital Status: Married; Therese, and Two Children

Education and Professional Training:

M.M.S., Master of Medical Science (with highest honors). A practice-based professional program. College of Allied Health, Nova Southeastern University; 3/01-09/03.

Clinical Training: Facial Prosthetics, Maxillofacial Prosthetics Clinic, University of Illinois; 1981.

B.S., Biocommunication Arts, University of Illinois Medical Center, Chicago, Illinois; 9/79-6/81. (Medical Illustration)

B.A., Fine Art, Northern Illinois University, Dekalb, Illinois; 8/75-8/79. (Talented Student Scholar, 4 years)

Professional Affiliations:

Founding Member, American Anaplastology Association (now International Anaplastology Association (IAA)).1986 to Present

Offices and Committees:

Director: Wisconsin Society of Orthotists, Prosthetists and Pedorthists (WSOPP) 2015-
Committee on Eligibility: Chairman (Created first Eligibility Criteria for Certification in Clinical Anaplastology);
Board for Certification in Clinical Anaplastology (BCCA). 2007-2009
Certification Steering Committee, American Anaplastology Association, 1999
Membership Committee, American Anaplastology Association, 1996, 1997
Nominating Committee, American Anaplastology Association, 1991, 1992
Education Committee, American Anaplastology Association, 1990 to 1994
Treasurer, American Anaplastology Association, 1990, 1991, 1992

Faculty Positions Held: University of Texas Southwestern Medical Center

Clinical Instructor, Division of Oral and Maxillofacial Surgery
Adjunct Faculty, Graduate School of Biomedical Sciences

Previous Positions Held:

Medical Sculptor, University of Texas Health Science Center, San Antonio, Texas; 3/84-5/85
Established a Facial Prosthetics Service for Northwestern Memorial Hospital Dental Center, Illinois; 6/81-3/84
Facial Prosthetist, University of Illinois Medical Center - MXP Clinic, Chicago, Illinois; 6/81-3/84

Editorships:

Journal of Facial and Somato Prosthetics. 1995-2006
International Journal of Anaplastology. 2007-

Poster Presentations:

05/18 Magnetic Piercing-Retained Auricular Prosthesis: A 4-Year Case Report; IAA Annual Conference (Quebec City, Quebec) Note: Poster was prepared and sent digitally but unable to travel and personally attend
09/17 The Future of Craniofacial Prosthetics in the US: Can Prosthetists Play A Role in Improving Patient Care; 100th Anniversary of the American Orthotic and Prosthetic Association World Congress (Las Vegas, NV)
08/15 A Composite Prosthetic Restoration for the Transradial Amputee; IAA Annual Conference (Rio de Janeiro, Brazil)

Oral Presentations:

09/18 Osseointegration and Craniofacial Prosthetics for the Practitioners; Midwest Chapter of the American Academy of Orthotists and Prosthetists (MWCAAOP) Annual Meeting (Lake Geneva, WI)
02/16 Craniofacial Prosthetics and Anaplastology; UW Plastic Surgery Grand Rounds (Madison, WI)
10/15 Visual and Functional Integration of Craniofacial Prostheses; American Academy of Facial Plastic and Reconstructive Surgeons (Dallas, Texas)
05/13 Panel Discussion: Marketing in Anaplastology; IAA Annual Conference (Nashville, TN)
03/11 Workshop Panel: Challenging Cases in Facial Prosthetics; IAA Annual Conference (Sarasota, FL)
10/06 Auricular Prosthetics; Let Them Hear Foundation, California Ear Institute (Palo Alto, CA)
09/06 Facial Prosthetic Technique; Forum 2006 (Essex, England)
08/06 25 Years in Facial Prosthetics: Caring for the Orphan Specialty; American Anaplastology Association annual conference (Chicago, IL)
05/05 The Use of Prosthetics in Post-Mohs Surgical Defects; American Society for Mohs Surgery (Phoenix, AZ)
03/05 Orbital Prosthetics: Challenges for the Anaplastologist; Ophthalmology Grand Rounds (UTSW)
06/03 Achieving Realism in Facial Prosthetics; American Anaplastology Association Annual conference
07/02 Adhesive Considerations in Facial Prosthetics; American Anaplastology Association annual conference
05/02 Prosthetics for the Plastic Surgeon; Plastic Surgery Grand Rounds (UTSW)
11/00 Implant Retention of Facial Prostheses Using the Straumann EO Implant System; International Congress of Maxillofacial Prosthetics (Kauai, Hawaii)
10/00 Orbital, Nasal, Auricular and Gel Prostheses; Forum 2000 (Essex England)
4/00 Overview of Facial Prosthetics; Legal Nurse Consultants (Dallas, TX)
1/00 Overview of Facial Prosthetics; Plastic Surgery Grand Rounds, University of Texas Southwestern Medical School (Dallas, TX)
6/99 Utilizing Combined Materials in Facial Prostheses; American Anaplastology Association (Toronto, Canada)
2/99 Overview of Facial Prosthetics; Plastic Surgery Grand Rounds, University of Texas Southwestern Medical School (Dallas, TX)
5/97 A Two-Piece Anatomically Retained Orbital Prosthesis; American Anaplastology Association (Orlando, FL)
1/96 Orbital Prosthetics; Ophthalmic Nurses Conference, University of Texas Southwestern Medical School (Dallas, TX)
5/95 Selected Cases Involving Nasal Prostheses; American Anaplastology Association, Indiana University (Indianapolis, IN)

- 4/94 Orbital Prosthetics; Ophthalmic Nurses Conf., Presbyterian Hosp. (Dallas, TX)
- 7/87 Selected Cases Involving Facial Prosthetics; American Anaplastology Association, Emory University (Atlanta, GA)
- 9/86 Report on the New American Anaplastology Association; Association of Biomedical Sculptors Conference (Norfolk, VA)
- 2/86 Current Methods in Facial Prosthetics; Conference on Mohs Chemosurgery (Tucson, AZ)
- 1/86 Maxillofacial Prostheses by the Medical Artist; Dentofacial Deformities Meeting, John Peter Smith Hospital (Fort Worth, TX)
- 11/85 Facial Prosthetics by Gregory G. Gion; Baylor College of Dentistry, Prosthodontics Department (Dallas, TX)
- 8/84 Molding and Preparing Silicone Facial Prostheses; Association of Biomedical Sculptors Conference, University of Michigan (Ann Arbor, MI)
- 6/84 Implant Retained Facial Prostheses; Ninth Annual Maxillofacial Prosthetic Therapy Update, University of Texas Health Science Center (San Antonio, TX)
- 7/83 Association of Biomedical Sculptors Conference, Univ. of Illinois (Chicago, IL)

Board Appointment:

Chairman: Committee on Eligibility; Created first Eligibility Criteria for Certification in Clinical Anaplastology. 2007-2009

Consultantships:

Nobelpharma/Branemark Strategy Meeting; Invited as previous participant in FDA Bone Anchored Craniofacial Prostheses Study to discuss implant related training for the anaplastologist (Chicago, IL). April, 1995

Technique Used for Implant-Retained (Osseointegration) Prostheses, (Three Day Demonstration); Invited by The University of Texas Health Science Center at San Antonio, Maxillofacial Prosthetics Clinic (San Antonio, TX). April, 1986

Implant Retained Auricular and Orbital Prostheses for Swedish Patients; Invited by the Institute for Applied Biotechnology. (Gothenburg, Sweden). May, 1984
